Kubota T and Takeuchi H. Evaluation of insulin-like growth factor binding protein-1 as a diagnostic tool for rupture of the membranes. *J Obstet Gynecol Res* (1998) **24**:411-417.

Kärkkäinen T and Rutanen E-M. Development of rapid immunochromatographic test for detection of premature rupture of fetal membranes. *Kliin lab* (1998) **15**:176-179.

Gaucherand P et al. Comparative study of three vaginal markers of the premature rupture of membranes. Insulin like growth factor binding protein 1 Diamine-oxidase pH. *Acta Obstet Gynecol Scand* (1997) **76**:536-540.

Ragosch V et al. Insulin like growth factor binding protein 1 (IGFBP-1) und fetales Fibronectin in der Diagnostik eines vorzeitigen Blasensprunges. *GebFra* (1996) **56**:1-6.

Rutanen E-M et al. Evaluation of a rapid strip test for insulin-like growth factor binding protein-1 in the diagnosis of ruptured fetal membranes. *Clin Chim Acta* (1996) **253**:91-101.

Rutanen E-M, Pekonen F, Kärkkäinen T. Measurement of insulin-like growth factor binding protein-1 in cervical/vaginal secretions: comparison with the ROM-check Membrane immunoassay in the diagnosis of ruptured fetal membranes. *Clin Chim Acta* (1993) **214**:73-81.

Actim[®] PROM abstracts & posters

Kanto L, Svens E, Tiisala S. Comparison of eight commercial PROM tests: Actim PROM is the only test not reporting maternal sera as false positives for PROM, and not exhibiting hook effect. Oral presentation held in XXVI European Congress of Perinatal Medicine, Sept 5-8, 2018. St. Petersburg, Russia.

Lesimple B, Fronval S, Fievet P. Biologie délocalisée: Audit sur l'utilisation du test Actim PROM en obstétrique. Poster presented in 24e Colloque CORATA_IBS, Actualités en immunoanalyse & biologie spécialisée, 7-8 June 2007, Maison de la Chimie, Paris. (In French).

Flourié F, Cherfa H, Bornet H. Diagnostic de la rupture des membranes foetales par détection de l'insulin growth factor binding protein-1 (IGFBP-1) dans les sécrétions cervicovaginales: interprétation des résultats faiblement positifs. *Annales de Biologie Clinique* (2002) **60**:623-626. (In French).

Articles on IGFBP-1

Rutanen E-M. Insulin-like growth factors in obstetrics. *Opin Obstet Gynecol* (2000) **12**:163-168.
